THIS IS ONE OF THE MOST HIGHLY APPOINTED PROPERTIES WE HAVE PLACED ON THE MARKET OVER RECENT MONTHS AND WE ARE SURE WILL SUIT THE REQUIREMENTS OF MANY BUYERS LOOKING TO PURCHASE A PROPERTY IN THE LONG EATON AREA.

Situated on a corner plot, this extended, immaculately finished property needs to be viewed by interested parties so the full extent and quality of the accommodation, along with its private rear garden, can be appreciated. The property has been refurbished by the current owners and includes a recently fitted dining/living kitchen, a refitted bathroom, a new en-suite and a feature front garden. It is double-glazed and centrally-heated throughout. The property is well-placed for easy access to the centre of Long Eaton and therefore the area's many amenities and facilities, which include parkland and nature reserves within easy walking distance.

The original property was built by Westerman Homes as part of a small, quiet estate, and was extended just over 10 years ago, nearly doubling the size of the accommodation provided. On entry, the reception hall leads to the stairs and to the impressive living/dining kitchen which features white gloss, handleless base and wall units; there are a number of fully integrated appliances. To the rear of this large open-plan space, there is a dining area, and double-opening French doors leading into the rear garden. There are also internal glazed doors through to the spacious lounge which has a bay window to the front, a feature fireplace with a modern gas fire, and French doors also leading out to the garden.

To the first floor the landing leads to three bedrooms. The main bedroom features built-in wardrobes and a new en-suite shower room; bedroom 2 offers good space; and bedroom 3 is currently used as a study. The main family bathroom includes a contemporary claw foot style bath and separate shower.

Outside, to the left of the property, there is an integral garage with a resin drive. The feature front garden includes resin pathways, lawn and planted pebbled beds. To the right of the house, a wrought iron gate leads to a wide resin path into the rear garden. This is a private garden with several places to sit and enjoy outside living; it includes patio, lawn and planted areas. There is also a multi-use summerhouse with a power supply. The garden is fenced on 2 sides, with a wall and mixed hedge on the 3rd.

The property is within easy reach of a nursery and primary and secondary schools, healthcare, sports and fitness facilities (including good parks and walking areas), supermarkets and corner shops, and restaurants and pub. Long Eaton offers good transport links: these include access to the M1 and A50, and the A52 towards Derby or Nottingham; Long Eaton railway station provides trains to London, Birmingham, Sheffield and Matlock; East Midlands Parkway railway station and East Midlands Airport are also both nearby.
