£115,000 Leasehold

THIS IS AN IMMACULATE ONE DOUBLE BEDROOM APARTMENT LOCATED WITHIN THE HISTORIC VICTORIA MILL BUILDING WHICH IS LOCATED IN THE HEART OF DRAYCOTT.

This is a second floor one double bedroom apartment, positioned on the South side of Victoria Mill and therefore has lots of natural light flooding into the main open plan living space and bedroom. The property would ideally suit an owner occupier looking for their first property or someone downsizing from a larger home and looking for a place to live which can be locked and left if they want to travel and be away, or alternatively it is ideal as an investment property which would be easy to rent and produce a good income. The property is approached via one of the main staircases or a lift and when you reach the second floor landing you turn right and the property is then located along the landing on the right hand side. We strongly recommend that interested parties do take a full inspection so they are able to see the size and condition of the apartment for themselves and a viewing will also enable them to see how well the development is managed and run with all the communal areas being well maintained by the management company. Draycott is an award winning village positioned between Nottingham and Derby and therefore is very accessible to both cities as well as other towns in the East Midlands which are connected by the A52 and other main roads with J25 of the M1 also being close by.

Victoria Mill is an iconic building situated in the heart of Draycott village which was originally a lace making factory that was converted some years ago into one or two bedroom apartments. The property we are selling is entered through the front door into a spacious reception hall which has two built-in storage cupboards off and this leads to the main open plan living space which includes an exclusively fitted kitchen area with white handle less wall and base units, the lounge/sitting area and there is also a most useful dining area. There are several features retained from the original building with the full height factory windows running along the side of the apartment, exposed beams and brickwork. There is a double bedroom with a most useful walk-in wardrobe/storage area off and the bathroom has a white suite complete with a shower over the bath position. Outside there is an allocated parking space within the secure car park.

Draycott has a number of local shops and, if required, schools for younger children, there are Co-op convenience stores in the nearby villages of Breaston and Borrowwash with further shopping facilities being found at Long Eaton where there are Asda, Tesco and Aldi stores and further shopping facilities are found in Spondon where there is another Asda supermarket and at Pride Park. There are walks in the surrounding picturesque countryside which includes St Chad's and the excellent transport links include J25 of the M1, East Midlands Airport, stations at Long Eaton, East Midlands Park and Derby and the A52 and other main roads provide good access to Nottingham, Derby and other East Midlands towns and cities.

Communal Hallway

The property is approached via a staircase or lift which is positioned in the middle of the Victoria Mill development and once you have gained entry through the main door you take the lift or stairs to the second floor.
