THIS IS A DOUBLE FRONTED FOUR BEDROOM DETACHED HOUSE SITUATED IN A QUIET CUL-DE-SAC WITH AN OPEN ASPECT OVER FIELDS AT THE FRONT.

Robert Ellis are pleased to be instructed to market this four double bedroom detached property which provides a new owner with the opportunity to extend and change the property to suit their own requirements. For the size of the accommodation and privacy of the rear garden to be appreciated, we recommend that interested parties do take a full inspection so they are able to see all that is included in this lovely home for themselves. The property is well positioned for easy access to the excellent local schools provided by Toton which has been one of the main reasons people have wanted to move to the area over the past couple of decades. There are also many other amenities and facilities including excellent transport links, all of which have helped to make this a very popular and convenient place to live.

The property is constructed of brick to the external elevations under a pitched tiled roof and the well proportioned accommodation derives all the benefits from having gas central heating and double glazing. In brief the accommodation includes a fully enclosed porch, a reception hall, through lounge which has a glazed door leading to a garden room and a separate dining area with the kitchen being fitted with wood fronted wall and base units. To the side of the property there is an enclosed rear porch which leads to a ground floor w.c. and also has a door into the integral garage which could easily be converted into further accommodation if this was something a new owner wanted to undertake in the future. To the first floor the landing leads to the four double bedrooms and the fully tiled bathroom which has a light coloured suite with a mains flow shower over the bath. Outside there is a drive and garden area at the front, the integral garage and at the rear there is a private, mature garden with lawns having established borders to the sides, all of which is kept private by having fencing to the three boundaries.

Toton is a very popular area to live and there is a Tesco superstore on Swiney Way with many other shopping facilities being found in the nearby towns of Beeston and Long Eaton and at the Chilwell Retail Parks where there is a M&S food store, TK Maxx, Next and several coffee eateries, there are the excellent schools for all ages within walking distance of the property, walks at Toton Fields and the picturesque Attenborough Nature Reserve and the excellent transport links include J25 of the M1, East Midlands Airport, stations at Beeston, Long Eaton and East Midlands Parkway and the A52 and other main roads provide good access to Nottingham, Derby and other East Midlands towns and cities.
