THIS IS A FIRST FLOOR ONE DOUBLE BEDROOM APARTMENT WHICH HAS MAGNIFICENT VIEWS ALONG THE EREWASH CANAL

Being situated within the Brooklands Court development, this one double bedroom first floor apartment is one of only two properties within a separate block that is part of Brooklands Court. The owners of the property can use the shared facilities within the main building at Brooklands Court which includes a resident lounge, laundry facilities as well as further storage space for electric sit on buggys and it does benefit from having the feeling of independence and privacy by being one of only two properties within the block which is positioned to the right of the main development. It would be difficult for people to appreciate the size of the accommodation included by just having a glance from the front of the building so we therefore recommend that people do take a full inspection so they can see all that is included in the property for themselves. Brooklands Court is well positioned for easy access to all the amenities and facilities provided by Long Eaton and the surrounding area, all of which has helped to make this retirement development a very popular and convenient place for people to live who are over the age of 55.

Being entered through a stylish composite front door into the reception hall of the property where there are stairs with a stair lift fitted taking you to the first floor and a very useful large built-in storage cupboard beneath the stairs, the landing is light and airy and this leads to the main living room which includes a dining area and has a window to the front which provides the beautiful views along the Erewash Canal and there are double opening double glazed French doors with a Juliette balcony to the rear, off the main living room there are double opaque glazed doors leading to the well fitted kitchen which has wall and base units and integrated appliances. The double bedroom has a range of mirror fronted built-in wardrobes and there is the shower room which is fully tiled with a large walk-in shower with a mains flow shower system. The property benefits from an efficient electric heating system and double glazing throughout. Outside there is resident and visitor parking provided which is close to the property we are selling, communal landscaped gardens to all sides of the development, there is the communal resident lounge and laundry facilities etc within the main building.

The property is well positioned for easy access to the shops provided by Long Eaton town centre which include Asda, Tesco and Aldi stores as well as many other retail outlets, there are walks along the canal and at West Park which is just at the rear of the development, there are healthcare and sports facilities which include the West Park Leisure Centre and adjoining playing fields and the transport links include junctions 24 and 25 of the M1, East Midlands Airport, Long Eaton and East Midlands Parkway stations and the A52 and other main roads provide good access to Nottingham, Derby and other East Midlands towns and cities.

There is a composite panelled front door with two inset opaque glazed panels which has an intercom locking system that can be activated from the apartment.
