**£289,950 Freehold**

A LARGE THREE/FOUR BEDROOM SEMI DETACHED PROPERTY SITTING ON A GOOD SIZED PLOT.

It gives Robert Ellis great pleasure to bring to the market a property that has been extended to the rear and offers lots of ground floor space, but could be extended above the garage if more room was still required. There is the original lounge/dining room which has a multi fuel burner, the original garage has now been converted into a second lounge and there is a large breakfast kitchen to the rear with built-in appliances and its own 'Narnia' cupboard which is now used as a utility room. There is lots of outside space with off road parking for at least 2 cars and additional parking at the rear off Trent Lane if needed, along with a good size rear garden. An internal viewing is a must in order to appreciate all this property has to offer.

The property benefits from double glazing and in brief comprises of a spacious entrance hall, lounge/dining room with sliding patio doors onto the rear garden. There is a second lounge, breakfast kitchen and utility room. To the first floor there are three bedrooms and a family bathroom. Outside, as previously mentioned, there is off road parking and additional off road parking to the side and off Trent Lane at the rear where there is also a privately enclosed rear garden.

The property is only a few minutes drive away from the centre of Long Eaton where there are Tesco and Asda superstores and many other retail outlets, bars and restaurants, there are schools for all ages within easy reach, healthcare and sports facilities, walks across the nearby fields and along the banks of the River Trent which take you to Trent Lock in one direction and Attenborough Nature Reserve in the other, and the excellent transport links include junctions 24 and 25 of the M1, East Midlands Airport, stations at Long Eaton and East Midlands Parkway and the A52 and other main roads which provide good access to Nottingham, Derby and other East Midlands towns and cities.
