

Tamworth Road,
Long Eaton, Nottingham
NG10 1BY

£365,000 Freehold

THIS IS A VICTORIAN DETACHED HOUSE WHICH FOR SEVERAL YEARS HAS BEEN USED AS AN ACCOUNTANTS OFFICE AND HAS THE OPTION TO BE USED AGAIN AS A RESIDENTIAL FAMILY PROPERTY, OR SUBJECT TO OBTAINING THE NECESSARY PERMISSIONS, BE CONVERTED INTO AN HMO.

Being located on Tamworth Road, this substantial detached property has the option to be continued to be used as offices, which it has been for many years, or changed back into a residential property to be used for single occupation or possibly converted into an HMO subject to obtaining the necessary permissions. The property is being sold with the benefit of NO UPWARD CHAIN and for the size and layout of the accommodation to be appreciated, we recommend that interested parties take a full inspection so they can see all that is included in the building for themselves. The property is well placed for easy access to Long Eaton town centre and to several transport links, all of which have helped to make this a very popular and convenient place to live or be based.

The property is constructed of brick to the external elevations under a pitched tiled roof and the well proportioned accommodation is arranged on two floors with it benefiting from gas central heating and from being mostly double glazed. Being entered through the front door, the accommodation includes a reception hall with a ground floor w.c. off and stairs leading to the first floor, there are three large ground floor rooms and a fitted kitchen which could be combined with one of the rooms to provide a large living/dining kitchen. To the first floor the landing leads to four good size rooms, a toilet and store room and if the property was changed back into a residential house, one of these rooms would have to be changed back into a bathroom. We also believe at least two of the rooms have enough space to have en-suite facilities incorporated if this was something a new owner wanted to carry out. Outside there is an easily managed area at the front, a path extends down the left hand side of the rear where there is a private garden that has been pebbled to help keep maintenance to a minimum and there are three useful brick outbuildings within the rear garden.

The property is a short walk away from Long Eaton town centre where there is an Asda, Tesco Lidl and Aldi stores as well as numerous other retail outlets, there are schools for all ages within walking distance of the house, healthcare and sports facilities including the West Park Leisure Centre and adjoining playing fields, walks in the nearby open countryside and at Trent Lock and the excellent transport links include junctions 24 and 25 of the M1, East Midlands Airport which can be reached via the Skylink bus, stations at Long Eaton and East Midlands Parkway and the A52 and other main roads provide good access to Nottingham, Derby and other East Midlands towns and cities.
