Robert Ellis are pleased to be instructed to market this spacious three double bedroom semi detached property which is positioned on this quiet road close to the heart of Long Eaton and is therefore very conveniently located for all the facilities and amenities provided by the area. The property is tastefully decorated throughout and for the size of the two large reception rooms and three double bedrooms, as well as the private landscaped garden at the rear to be appreciated, we recommend that interested parties do take a full inspection so they are able to see all that is included in the property for themselves. The property has a very neat appearance with the current owner having paved the front garden area and there is a path leading down the left hand side to the rear which leads to the main entrance door at the side and through a gate to the rear garden. The property also benefits from having a wood burning stove in the front lounge and an open fire in the rear reception room, both of which help provide a warm and cosy feel throughout the property.

The house stands back from Ingham Road behind a walled garden area and is constructed of brick to the external elevations under a pitched tiled roof. The well proportioned and tastefully finished accommodation derives all the benefits of gas central heating which is controlled by a Hive remote heating system and double glazing and includes a reception hall with tiled flooring and from the hall the stairs lead to the first floor and doors taking you into the main lounge which is positioned at the front and as well as the log burning stove there are fitted cabinets and shelving to either side of the chimney breast, the dining room again has the open fire and fitted furniture to the sides of the chimney breast and from this rear reception room there is a door leading into the kitchen which has extensive ranges of wall and base cupboards which have had the doors and drawer fronts hand painted and there are a number of integrated appliances included in the kitchen which will remain at the property when it is sold. From the kitchen there is a most useful ground floor bathroom and w.c. which has been upgraded by the current owner and to the first floor the landing leads to the three double bedrooms, the front bedroom having fitted furniture and there is a first floor shower room. Outside the main garden area is to the rear where there are patio/seating areas at the rear of the house and at the bottom of the garden there is a lawn with borders to the sides with the garden being kept private by having fencing to the boundaries.

The property is only a few minutes walk away from the centre of Long Eaton where there are Asda and Tesco superstores and many other retail outlets as well as pubs, restaurants and the well regarded Clifford Gym, there are healthcare and sports facilities including the West Park Leisure Centre, excellent schools for all ages which are again only a short walk away from the property and the excellent transport links include J25 of the M1, East Midlands Airport, stations at Long Eaton and East Midlands Parkway and the A52 and other main roads provide good access to Nottingham, Derby and other East Midlands towns and cities.
