£625,000 Freehold

A UNIQUE DETACHED DORMER-STYLE HOME SET ON APPROXIMATELY 0.25-ACRES ON CLEVE AVENUE IN TOTON - ONE OF THE AREA'S MOST HIGHLY SOUGHT-AFTER LOCATIONS, OFFERING OUTSTANDING POTENTIAL AND A TRULY SPECIAL BACKSTORY.

Robert Ellis are delighted to bring to the market this once-in-a-lifetime opportunity to purchase a home that has been owned by the same family since it was built. The plot was originally purchased in 1953, with construction beginning shortly after and the property being completed in 1955 - lovingly built by the family who have lived here ever since. Homes of this level of heritage, space, and potential are incredibly rare to find.

Occupying an impressive approximately 0.25-acre plot, the property offers far-reaching views to the rear, generous gardens and ample off-road parking, making it ideal for buyers wishing to create their dream home. The flexible layout provides three or four bedrooms and multiple reception spaces, with the dormer design already lending itself perfectly to further reconfiguration or extension, subject to planning permission.

Situated on Cleve Avenue — widely regarded as one of Toton's most desirable addresses — the property is well placed for easy access to all the local schools, which have been one of the main reasons people have chosen to move to the Toton area over the past couple of decades. There are healthcare and sports facilities including several local golf courses; a Tesco superstore on Swiney Way; other shopping facilities found in the nearby towns of Beeston and Long Eaton. There is also an M&S Food Hall, Next, TK Maxx and several coffee shops at the Chilwell Retail Parks. Nearby green spaces include Toton Fields and the picturesque Attenborough Nature Reserve. In addition to the Nottingham tram system, excellent transport links include J25 of the M1, East Midlands Airport, rail stations at Beeston, Long Eaton and East Midlands Parkway, and the A52 and other main roads provide good access to Nottingham.
