£265,000 Freehold

A THREE BEDROOM DETACHED FAMILY HOME BEING SOLD WITH THE BENEFIT OF NO UPWARD CHAIN.

Robert Ellis are delighted to bring to the market a property that sits on a good size plot and will appeal to many buyers. This is not a property for someone who wants to walk straight into a home without doing any work as this property does require a cosmetic upgrade. The property is being marketed at a price to reflect the work required and we are sure when it has been improved to a good standard, will almost likely be worth significantly more and therefore will appeal to a builder or developer who is in search of a property to improve and sell on or a buyer looking for a home in a sought after location which they can transform into their dream home. An internal viewing comes highly recommended to appreciate the accommodation on offer.

The property is constructed of brick to the external elevation all under a tiled roof and in brief comprises of an entrance porch, spacious entrance hall with an understairs storage cupboard and additional storage cupboard, through lounge/dining room with a bay window to the front and sliding doors to the rear, a breakfast kitchen and an inner lobby with door to a ground floor w.c. and a door to the garage. To the first floor the landing gives access to three bedrooms, bathroom and separate w.c. The property sits on a good size plot and has access all the way around. There are two driveways, one from Milldale Road and the other from Kirkdale Road and provides off road parking for several cars and vehicles and a privately enclosed rear garden.

Being situated on the Dales Estate this most lovely home is within easy reach of the Asda and Tesco superstores and numerous other retail outlets found in Long Eaton town centre, there are schools for all ages, health care and sports facilities and excellent transport links which include J25 of the M1, East Midlands Airport, Long Eaton Station which is only a few minutes walking distance away from the property and the A52 and other main roads all of which provide good access to both Nottingham and Derby.
