A THREE BEDROOM DETACHED FAMILY HOME BEING SOLD WITH THE BENEFIT OF NO UPWARD CHAIN.

Robert Ellis are delighted to bring to the market a property situated in a cul-de-sac location which is perfect for the growing family. The property benefits from spacious accommodation to the ground floor and is ready for a new owner to stamp their own mark on the property but is certainly livable whilst the work is being carried out. Toton has over the past couple of decades become recognised for its excellent local schools for all ages which has been one of the main reasons why people have wanted to move to the area and there are also excellent transport links, all of which have helped to make Toton such a popular and convenient place to live. We recommend that all interested parties do take a full inspection so they are able to see the size of the accommodation on offer.

There are the excellent schools for all ages within walking distance, healthcare and sports facilities including several local golf courses, walks at the picturesque Attenborough Nature Reserve and at Toton Fields and transport links include the latest extension to the Nottingham Tram System which terminates in Toton and provides another means of transport to and from Nottingham city centre, J25 of the M1, East Midlands Airport, stations at Beeston, Attenborough, Long Eaton and East Midlands Parkway and the A52 and other main roads which provide good access to Nottingham, Derby and other East Midlands towns and cities.
