THIS IS A TWO DOUBLE BEDROOM DETACHED BUNGALOW SITUATED ON BAULK LANE WHICH IS A LOVELY ROAD THAT LEADS TO FIELDS AND OPEN COUNTRYSIDE.

Situated on Baulk Lane, this two double bedroom detached bungalow was built approximately 14 years ago and is now being sold with the benefit of NO UPWARD CHAIN. The property offers well proportioned accommodation and for the size and finish to be appreciated, we recommend interested parties do take a full inspection so they are able to see the whole property for themselves. The property has off road parking at the front and a private garden at the rear which has been landscaped and designed to help keep maintenance to a minimum. The property is well placed for easy access to the local amenities and facilities provided by the area and being just off Derby Road it is close to bus routes to Stapleford, Beeston, Nottingham and Derby.

The property is constructed of brick with the external elevations being part rendered, all under a pitched tiled roof and the light and airy accommodation derives the benefits of gas central heating and double glazing. The accommodation includes a reception hallway which has doors leading to the lounge/sitting room and this room has double opening French doors to the side and a box bay window to the front and there is a door from the lounge to the breakfast kitchen which is fitted with wall and base units and includes integrated appliances and from the kitchen there is a half double glazed door leading out to the rear garden. The two bedrooms are both of a good size and provide flexible accommodation with one of the bedrooms possibly being used as a lounge and the current lounge being used as a dining room off the kitchen. The shower room is fully tiled and has a corner shower with a mains flow shower system. Outside there are double wrought iron gates leading onto the block paved parking area in front of the bungalow and there are paths either side to the rear where there is a slabbed garden/patio area that has been designed and landscaped to help keep maintenance to a minimum. There is a deep border running along the rear of the patio which could be removed to help increase the size of the garden if this was preferred by a new owner, but currently provides excellent natural screening from the properties behind.

The property is well placed for easy access to Stapleford and Sandiacre where there are Aldi and Lidl stores along with many other retail outlets, there are healthcare and sports facilities which include several local golf courses, walks across open fields and countryside and the excellent transport links include J25 of the M1 which is only a few minutes drive away, East Midlands Airport, stations at Beeston, Long Eaton and East Midlands Parkway and the A52 and other main roads provide good access to Nottingham, Derby and other East Midlands towns and cities.
