A DETACHED FAMILY HOME OFFERING SPACIOUS ACCOMMODATION AND BEING FOUND IN THIS SOUGHT AFTER LOCATION.

Robert Ellis are delighted to bring to the market this deceptively spacious three bedroom quirky detached property found in a most desirable location of Toton. The property is found on a corner plot and has the advantage of a lovely private garden, converted loft room and garage which offers the potential to be converted into an annex, subject to the necessary permissions. The property is ready to move into and in our opinion would be a perfect young family home or first time buy and will have a lot of interest due to the location. Selling with the benefit of no upward chain.

The property is constructed of brick to the external elevation all under a pitched tiled roof and derives modern conveniences such as gas central heating and double glazing throughout. In brief the accommodation comprises of an entrance hall with stairs to the first floor and giving access to the lounge which flows round to the kitchen and dining area which then leads onto a lobby that provides access to the ground floor bathroom and an internal door to the garage where the boiler is housed. To the first floor there are three bedrooms, office and a separate w.c. There is then access to the second floor where the loft has been converted into a delightful play room/office. Outside the property has great stance and curb appeal from the road with off street parking and access to the garage, there is a front garden with lawn, planted and dug borders and substantial garden shed. An early bird viewing comes highly recommended.

The property is well placed for easy access to the Tesco superstore on Swiney Way with there being several other supermarkets and other retail outlets in the nearby towns of Beeston and Long Eaton and at the Chilwell Retail Parks where there is an M&S food store, Next, TK Maxx and various coffee eateries, there are the excellent local schools for all ages which are within walking distance of the property, healthcare and sports facilities including several local golf courses, walks at Toton Fields and the picturesque Attenborough Nature Reserve and as well as the latest extension to the Nottingham tram system the transport links include J25 of the M1, East Midlands Airport, stations at Beeston, Attenborough, Long Eaton and East Midlands Parkway and the A52 and other main roads provide good access to Nottingham, Derby and other East Midlands towns and cities.
