THIS TWO BEDROOM SEMI DETACHED BUNGALOW OFFERS A LOVELY HOME ON WHICH OVER A PERIOD OF TIME A NEW OWNER CAN STAMP THEIR OWN MARK.

Being located on the very popular Dales Estate, this two bedroom bungalow is being sold with the benefit of no upward chain and as people will see when they view, it has the potential to be updated to suit the requirements of a new owner. The property is well positioned for easy access to the local convenience store on the Dales Estate and there is a bus stop close by with Long Eaton town centre only being a few minutes drive away where there are the main supermarkets and many other amenities and facilities.

The property is constructed of brick to the external elevation under a pitched tiled roof and the well proportioned accommodation derives all the benefits of gas central heating and from being double glazed. In brief the accommodation includes a reception hall leading to the lounge/sitting room which could include a dining area and off the lounge is the kitchen which has wall and base units and spaces for appliances. There is an inner hall which leads to the two bedrooms, the main bedroom having ranges of fitted wardrobes and the second bedroom is being used as a dining/sitting room as it has a glazed door leading out to the rear garden, but could also be easily used as a second bedroom. The bathroom has been changed into a shower room and there is a shower cubicle with electric shower and outside there is a pebbled garden at the front with a drive running down the left hand side and at the rear there is a private garden which has again been designed and landscaped to help keep maintenance to a minimum.

As previously mentioned the property is very close to the local store on the Dales Estate with Asda, Tesco and Aldi stores being found in nearby Long Eaton where there are many other retail outlets , there are healthcare and sports facilities including the West Park Leisure Centre and adjoining playing fields and the excellent transport links include J25 of the M1, East Midlands Airport, Long Eaton station which is just a few minutes walk away and the A52 and other main roads, all of which provide good access to Nottingham, Derby and other East Midlands towns and cities.
