

Naseby Drive,  
Long Eaton, Nottingham  
NG10 1PG

**£299,995 Freehold**

THIS IS A THREE DOUBLE BEDROOM DETACHED FAMILY HOME SITUATED WITHIN THIS VERY POPULAR RESIDENTIAL AREA ON THE OUTSKIRTS OF LONG EATON.

Being situated on Naseby Drive, this detached three bedroom property has since being originally constructed had the garage converted into additional accommodation with there being a further sitting room/office/playroom at the front of the original garage and a utility room to the rear. For the size and layout of the accommodation and privacy of the south facing rear garden to be appreciated, we recommend interested parties do take a full inspection to see the whole property for themselves. The property is well placed for easy access to the centre of Long Eaton where there are a wide range of shopping facilities and there are excellent local schools and transport links which includes the Long Eaton station all of which has made this location such a popular and convenient place to live.

The property is constructed of an attractive fascia brick to the external elevations under a pitch tiled roof and the well proportioned accommodation derives the benefits of gas central heating (the boiler having been replaced in the last two years) and double glazing with many of the windows having been replaced approximately six years ago and the soffits and fascias have also been replaced which helps to keep future maintenance to a minimum. The well proportioned accommodation includes a reception hall with doors leading to the lounge, the additional sitting room/playroom/office, there is a separate dining room which could be combined with the existing kitchen to provide an open plan living/dining kitchen and from the current dining area patio doors lead to a garden room. There is a rear hall with a ground floor WC off and a utility room which was created at the rear of the original garage. To the first floor the landing leads to the three double bedrooms, the main bedroom having an en-suite shower room and a family bathroom which includes a white suite with a shower over the bath. Outside there is a driveway and lawned area to the front with a gated path running along the right hand side of the property leading to the rear garden where there is decking to the immediate rear of the house which leads onto a lawned garden all of which is kept private by the brick walls and fencing to the boundaries.

The property is well placed for easy access to the centre of Long Eaton where there are Asda, Tesco and Aldi stores as well as many other retail outlets, there are healthcare and sports facilities which include the West Park Leisure Centre and adjoining playing fields, there are walks to the picturesque Trent Lock and along the banks of the River Trent and the excellent transport links including junctions 24 & 25 of the M1, East Midlands Airport, stations at Long Eaton and East Midlands Parkway and the A52 and other main roads provide good access to Nottingham, Derby and other East Midlands cities.
