BEING SITUATED ON THIS MOST SOUGHT AFTER ROAD ON THE OUTSKIRTS OF LONG EATON, THIS THREE BEDROOM SEMI DETACHED PROPERTY OFFERS IMMACULATELY MAINTAINED ACCOMMODATION AND A LOVELY GARDEN TO THE REAR.

Being positioned on Cedar Avenue, a quiet cul-de-sac just off Tamworth Road, this traditional semi detached home provides light and airy accommodation which we are sure will appeal to a whole range of buyers, from those purchasing their first property through to people who might be downsizing from a larger home. Over recent years the property has had both the dining kitchen and bathroom upgraded and for all that is included in this beautiful home to be appreciated, we strongly recommend that interested parties do take a full inspection so they can see the whole property for themselves. The property is well placed for a local Sainsbury's convenience store found at the end of the road and to the many other amenities and facilities offered by the area, all of which have helped to make this a very popular and convenient place for people to live.

The property stands back from Cedar Avenue with a pebbled parking area for two vehicles at the front and is constructed of brick to the external elevations, the front being rendered, all under a pitched tiled roof. The well proportioned and tastefully decorated accommodation derives all the benefits of gas central heating and double glazing and includes a reception hall which leads to the lounge and the recently re-fitted dining kitchen which has white gloss finished handle-less wall and base units and several integrated appliances and off the kitchen there is a most useful breakfast area which has double opening French doors leading to the conservatory which in turn provides a lovely area to sit and connects the main living space to the rear garden. There is also a luxurious fully tiled bathroom which has a white suite complete with a mains flow shower over the bath position and to the first floor the spacious and light landing leads to the three bedrooms, all of which are of a good size and like the rest of the house are tastefully finished with the main bedroom having views over the rear garden. At the front of the house there is off the road parking for two vehicles and a path leading down the right hand side to the main entrance door and a gate to the rear garden which is a good size and has fencing and hedges to the boundaries and provides several places to sit and enjoy outside living.

As well as the local Sainsbury's convenience store there are Asda and Tesco superstores along with many other retail outlets found in Long Eaton town centre, excellent schools for all ages, healthcare and sports facilities which include the West Park Leisure Centre and adjoining playing fields and excellent transport links with the Long Eaton station being only a few minutes walk away, East Midlands Airport, junctions 24 and 25 of the M1 and the A52 and other main roads, all of which provide good access to Nottingham, Derby and other East Midlands towns and cities.
