THIS IS PROBABLY ONE OF THE FINEST EXAMPLES OF A FULLY REFURBISHED EDWARDIAN BAY FRONTED SEMI DETACHED HOME IN LONG EATON WITH THE HOUSE RETAINING MANY ORIGINAL FEATURES AND NEW ADDITIONS WHICH SETS IT APART FROM OTHER SIMILAR PROPERTIES IN THE AREA.

Being located on York Road this tastefully updated Edwardian semi detached property provides three bedroom accommodation with two large reception rooms and an exclusively fitted kitchen which has a partly glazed roof which allows natural light to flood into the sitting area within the kitchen, from which there are double opening French doors leading out to the gardens to the rear. We are sure this stunning property will suit a whole range of buyers, from people purchasing their first property through to those who might be downsizing from a larger property and are in search of a home that offers spacious accommodation associated with older properties which they can move into without having to carry out any work whatsoever. The property is also well placed for easy access to the many local amenities and facilities provided by the area, all of which have helped to make this particular road a very convenient and popular place for people to live.

The property stands back from the road behind a walled front garden with a path running down the right hand side which provides access to the main entrance door and via a gate to the rear garden. There is a box bay window to the front elevation which helps to provide an attractive appearance to the property which is constructed of brick to the external elevations all under a pitched tiled roof. The spacious and well proportioned accommodation derives all the benefits of gas central heating and double glazing and is entered through a stylish composite front door at the side into the hall where there is an original 'Minton' tiled floor and pine doors leading to the two reception rooms and understairs cupboard. The lounge is positioned at the front of the house and this room has a box bay window and a feature fireplace. The dining room is at the rear of the house and this has double opening French style doors leading out to the rear garden and quality wooden flooring which extends through into the exclusively fitted and equipped kitchen which has the part vaulted glazed roof and a second set of French doors leading out to the rear garden. There is also a most useful ground floor w.c. which has space for a washing machine and tumble dryer. To the first floor the landing again has the original pine doors leading to the three good size bedrooms and luxurious tiled shower room which includes a mains flow shower system within the large corner walk-in shower. Outside the main garden is at the rear where there is a patio to the immediate rear of the house leading down to a mainly lawned garden which has fencing, walls and hedges to the boundaries with there being a shed at the bottom of the garden which will remain when the property is sold.

The property is within a few minutes walk of the town centre where there are Asda and Tesco superstore and many other retail outlets as well as several pubs, restaurants and the well known Clifford gym. There are excellent local schools for all ages, healthcare and further sports facilities at West Park Leisure Centre and adjoining playing fields and the transport links include J25 of the M1, East Midlands Airport, stations at Long Eaton and East Midlands Parkway and the A52 and other main roads, all of which provide good access to Nottingham, Derby and other East Midlands towns and cities.
