THIS IS A FOUR DOUBLE BEDROOM DETACHED FAMILY HOME WHICH IS SITUATED AT THE END OF A QUIET CUL-DE-SAC IN THIS SOUGHT AFTER RESIDENTIAL AREA.

Being located on Pennine Close, this four bedroom detached home provides the opportunity for a new owner to stamp their own mark on their next property. The property has been lived in since being originally constructed by the same family and now offers the potential to be extended to the side and rear to increase the amount of ground and first floor accommodation included if this was required by a new owner. The property is being sold with the benefit of NO UPWARD CHAIN and for the size of the accommodation and privacy of the gardens to be appreciated, we recommend interested parties do take a full inspection so they can see the whole property for themselves. Being positioned at the head of Pennine Close, the property also benefits from having a large grassed area to the left which provides a very open feeling around the property which is something we are sure will appeal to people who are interested in living in this location. The property is well placed for easy access to the local amenities and facilities provided by the area and to excellent transport links, all of which have helped to make this a very popular and convenient place for people to live.

The property is constructed of facia brick to the external elevations with there being part render to the front under a pitched tiled roof and the accommodation included derives the benefits of gas central heating, with there being a relatively new boiler installed and double glazing throughout. Being entered through a fully enclosed porch, the accommodation includes a reception hall with a ground floor shower room/w.c. off, a large lounge, from which there is an archway leading into a dining room and from this room a door leads into the kitchen which is fitted with hand made pine base and wall cupboards and the dining room and kitchen could easily be combined to provide large living/dining kitchen, from which there could be doors leading out to the private rear garden. There is also a large utility room with a door leading out to the rear garden and to the first floor the landing leads to the four good size bedrooms and the bathroom which has a white suite. Outside there is the adjoining brick garage to the right of the house, a well maintained garden to the front with a block paved driveway in front of the garage and a large pebbled area and there is access to the rear via a path on the right hand side. At the rear of the house there is a block paved pathway leading onto a patio and a lawned garden that has established beds to the sides with the rear garden being kept private by having fencing to the three main boundaries.

The property is within easy reach of all the shopping facilities provided by Long Eaton which includes Asda, Tesco and Aldi stores as well as many other retail outlets, there are excellent schools for all ages within walking distance of the property, healthcare and sports facilities including the West Park Leisure Centre and adjoining playing fields and the excellent transport links include J25 of the M1, East Midlands Airport, stations at Long Eaton and East Midlands Parkway and the A52 and other main roads provide good access to Nottingham, Derby and other East Midlands towns and cities.
