THIS IS AN IMMACULATLY UPGRADED TRADITIONAL TWO BEDROOM SEMI DETACHED HOUSE POSITIONED CLOSE TO THE CENTRE OF LONG EATON.

This is a fully refurbished and upgraded traditional property which is being sold with the benefit of no upward chain and is therefore ready for immediate occupation. The current owners have totally refurbished the property and it has a new roof, new windows and external doors, been re-plastered with dry lined walls internally, new internal joinery, been re-wired throughout and had a new central heating system installed with a new kitchen and bathroom, so there is no work whatsoever for a new owner to have to carry out and they could just move into this lovely home which has floor coverings and blinds throughout. For the quality of workmanship which was carried out to the house and the size of the accommodation to be appreciated, we recommend interested parties do take a full inspection so they can see all that is included in this lovely home for themselves. The property will suit a whole range of buyers, from people buying their first home through to people who might be downsizing and want to live close to all the local amenities and facilities provided by the area, with the town centre literally being only a two minute walk away from the house.

The property stands back from the road behind a low level walled area and is entered through a stylish composite front door which takes you into a lounge/sitting room, there is an inner hall with an understairs cloaks/storage cupboard and to the rear there is a dining/sitting room which leads through into the kitchen which is well fitted with ranges of wall and base units and integrated cooking appliances. To the first floor the landing has a hatch with a ladder leading to a part boarded loft and this provides an excellent storage facility and there are two double bedrooms, the main bedroom at the front having two double wardrobes which will remain at the property when it is sold. The bathroom is also a good size and has a white suite complete with a shower over the bath. Outside there is a utility room/store behind the property and a gate at the side leads into the private rear garden which has patio and seating areas and is therefore easy to maintain and provides several places to sit and enjoy outside living during the warmer months and is kept private by having fencing to the side boundaries with a wall to the rear.

The property is within easy walking of Asda, Tesco and Aldi stores along with numerous other retail outlets found in the town centre, the well regarded Clifford Gym is only a two minute walk around the corner, if required there are excellent schools for all ages within walking distance of the house, there is a doctors surgery and the West Park Leisure Centre and adjoining playing fields is only a short walk away and the excellent transport links include J25 of the M1, East Midlands Airport, Long Eaton and East Midlands Parkway stations and the A52 and other main roads provides good access to Nottingham, Derby and other East Midlands towns and cities.
