BEING SITUATED ON THIS VERY POPULAR ROAD WITHIN THE PARKSIDE AREA OF LONG EATON, THIS INDIVIDUAL DETACHED PROPERTY HAS UNDERGONE A COMPLETE RENOVATION AND TRANSFORMATION PROGRAMME OVER THE PAST FEW YEARS.

Robert Ellis are pleased to be instructed to market this individual home which over the past few years has undergone a full refurbishment and upgrade programme which has included extending the accommodation into the attic space which in turn has provided two additional bedrooms and a first floor shower room. The property offers light and spacious accommodation which has been fully re-wired throughout, had a new central heating system installed with under floor heating to the majority of the ground floor living accommodation, the living kitchen has been moved from the front to the rear of the property and this provides a stunning open plan living/dining kitchen area with bi-folding doors leading out to the rear garden, the windows and external doors have been replaced as have the internal doors and joinery work and to provide additional light to both the ground and first floors Velux windows have been carefully positioned so natural light floods into areas of the property to both the ground and first floors. The property is well placed for easy access to the local schools which include The Elms and Trent College as well as excellent state schools which are literally just on the other side of Derby Road, there is easy access to all the amenities and facilities provided by Long Eaton and the surrounding area and there are excellent transport links, all of which have helped to make this a very popular and convenient place for people to live.

The property stands behind a laurel hedge which runs along the front boundary with parking at the front and this lovely home is constructed of an attractive facia brick to the external elevations under a new pitched tiled roof which was completely replaced during the upgrade and refurbishment programme. The property is entered through a stylish composite door into the reception hall which has a built-in cloaks/store room and Kamdean flooring that extends across most of the ground floor living space and this has under floor heating, a feature oak staircase leads to the first floor with oak doors leading to all the rooms off the hall which include the living/dining kitchen which extends across the rear of the property and this has high quality finished units, granite work surfaces and integrated appliances and there are bi-folding doors leading out to the private rear garden with the lounge/sitting area having a log burning stove and a box bay window to the rear. There is a separate utility room which has a door leading out to the side of the property and there are two double bedrooms, one of which is currently used as a sitting room but could be an office, bedroom or something similar. There is also a most luxurious ground floor bathroom which includes a separate shower as well as a bath and to the first floor the landing leads to two double bedrooms and the shower room. To the right of the property there is a brick built garage which has a store room at the rear and there is then the man cave/bar which has been created by the current owner and this has double opening double glazed windows which overlook the patio seating area at the rear. At the front of the property there is a pebbled parking area and there is access between the garage and property to the rear garden where there is an Indian sandstone patio extending across the rear which leads onto a lawned garden that has established beds to the sides and centre with natural screening and fencing to the boundaries.

The property is well placed for easy access to the centre of Long Eaton where there are Asda, Tesco and Aldi stores as well as many other retail outlets, bars and restaurants, there are healthcare and sports facilities including the West Park Leisure Centre and adjoining playing fields with several golf courses also being within easy reach, there are the excellent local schools for all ages which are within walking distance of the property and the excellent transport links include J25 of the M1, East Midlands Airport, stations at Long Eaton and East Midlands Parkway and the A52 and other main roads provide good access to Nottingham, Derby and other East Midlands towns and cities.
