Robert Ellis are pleased to bring to the market a property that is ready for the next owner to put their stamp on. The property is situated in the popular area of Sawley within a cul-de-sac location. Previously being rented, it has been well maintained and looked after by the landlord but could benefit from some modernisation. We believe this property will appeal to investors and first time buyers and an internal viewing is highly recommended to appreciate the accommodation on offer.

This property is constructed of brick to the external elevation all under a pitch tiled roof and in brief comprises of: Entrance hall, kitchen, lounge to the rear with doors looking out to the delightful rear garden, to the first floor there are two double bedrooms and a three piece bathroom.
