THIS IS A SPACIOUS THREE BEDROOM DETACHED PROPERTY SITUATED TOWARDS THE HEAD OF A CUL-DE-SAC IN THIS NOW VERY ESTABLISHED AREA WHICH IS LOCATED BETWEEN STAPLEFORD AND TROWELL.

Robert Ellis are pleased to be asked to market this three bedroom detached house situated on a corner plot with private gardens to the rear which have been designed and landscaped to keep maintenance to a minimum and also includes a large wooden shed/workshop which is positioned at the bottom of the garden. The property is tastefully finished throughout with laminate flooring to the ground floor and for the size of the accommodation and privacy of the rear garden to be appreciated, we strongly recommend that interested parties do take a full inspection so they can see all that is included in this lovely home for themselves. The property is well placed for the amenities and facilities provided by Stapleford with further shops being found in nearby Ilkeston and with it being close to excellent local schools, this is a home which we feel will suit a whole range of buyers from those purchasing their first property through to families who are looking for three bedrooms in a safe and well regarded residential area.

The property is constructed of brick to the external elevations under a pitched tiled roof and the well proportioned accommodation derives all the benefits of gas central heating and from being double glazed throughout. In brief the accommodation includes a reception hall which leads through a glazed door to the lounge which has a feature fireplace and an archway leading to a separate dining room and there are double opening glazed doors leading to a sitting room, off which there is the conservatory and the well fitted kitchen which has extensive ranges of wall and base cupboards and integrated appliances. There is a ground floor w.c. and utility area which has been created by the current owners and to the first floor the landing leads to the three good size bedrooms, all of which have ranges of built-in bedroom furniture, the main bedroom has a large en-suite shower room with the shower being a mains flow thermostatically controlled shower and there is the fully tiled family bathroom which has a white three piece suite. Outside there is car standing at the front for three vehicles and the land which is included in the property extends down the right hand side and this has been landscaped to keep maintenance to a minimum and with screening helps to create privacy to the private rear garden which includes a Presscrete style patio to the immediate rear of the house which leads onto an astroturf lawn which has slate chipped beds to the sides, there is a decked area at the bottom where the large wooden shed/workshop is also positioned and the garden is kept private by having good quality fencing to the three boundaries.

The property is within easy reach of the shops provided by Stapleford, Sandiacre and at Ilkeston, there are excellent schools for all ages within easy reach, healthcare and sports facilities, walks in the surrounding picturesque countryside which includes Stanton by Dale and Dale Abbey and the excellent transport links include J25 of the M1, East Midlands Airport, stations at Beeston, Long Eaton, East Midlands Parkway and Derby as well as there being a local station at Ilkeston and the A52 and other main roads provide good access to Nottingham, Derby and other East Midlands towns and cities.

The front door is currently a UPVC door with an inset arched glazed panel but we have been informed by the owners this will soon be changed to a stylish composite front door.
