BEING SITUATED ON A QUIET CUL-DE-SAC, THIS EXTENDED THREE BEDROOM PROPERTY HAS A BEAUTIFUL ASPECT AT THE REAR WITH THE PROPERTY OVERLOOKING A LAKE.

Robert Ellis are pleased to be instructed to market this detached property, which since being originally built was extended at the rear to increase the size of the ground floor living accommodation. The property is now in need of some updating works, but is ready for immediate occupation and is being sold with the benefit of NO UPWARD CHAIN. For the size of the accommodation and views over the lake at the rear to be appreciated, we recommend that interested parties do take a full inspection so they can see all that is included in this lovely family home for themselves. The property is well placed for easy access to local amenities and facilities and to excellent transport links including the Long Eaton station which is literally only a few minutes walk away from the house.

The property is constructed of brick to the external elevations, the front being relieved by a timber panel and stone work under a pitched tiled roof and the well proportioned accommodation included derives all the benefits from having gas central heating and double glazing. The house includes a reception hallway with a door leading to a through lounge which includes a dining area, an L shaped dining/living kitchen which has oak fitted units to the kitchen area and patio doors leading out to the rear garden from the dining/sitting room. To the first floor the landing leads to the three bedrooms, the double bedroom at the rear having extensive ranges of wardrobes which were installed by Ramsey's of Long Eaton and the bathroom has a white suite with a shower over the bath. Outside there is block paved parking at the front and to the left hand side of the property there is a slabbed driveway and at the rear there is a patio with steps leading to a lawned garden which has a low level fence at the rear which helps to enable unspoilt views over the lake. The property lends itself to be further extended at the side and as previously mentioned will in time lend itself to having some updating works carried out so it suits the requirements of a new owner.

The property is within walking distance of the shops found on Tamworth Road while further supermarkets can be found in Long Eaton where there are Asda, Tesco and Aldi stores as well as many other retail outlets, there are excellent schools for all ages within walking distance of the property, walks in the nearby open countryside and along the banks of the River Trent and the transport links include junctions 24 and 25 of the M1, East Midlands Airport which can be reached via the Skylink bus which takes you to Castle Donington and the airport and the A52 and other main roads provide good access to Nottingham, Derby and other East Midlands towns and cities.
