O/O £180,000 Freehold

THIS IS A WELL PRESENTED TWO BEDROOM PROPERTY SITUATED ON THE TUDOR COURT DEVELOPMENT JUST OFF CRANMER STREET, WHICH IS WITHIN A FEW MINUTES WALK OF THE TOWN CENTRE AND THEREFORE TO MANY LOCAL AMENITIES AND FACILITIES

A two bedroom mid property which provides well presented accommodation throughout and as people will see when they view, it is ready for immediate occupation. The property is part of a select development of similar two and three bedroom homes built by a well known company at the time called NJC Homes. Being extremely well insulated and having efficient electric heating system, this beautiful home is economical to run which is something the current owner can show to interested parties. As well as being situated in a quiet back water with no real through or passing traffic, this tastefully finished home, which would suit a whole range of buyers from people buying their first property to those who might be downsizing from a larger home, is literally a two minute walk from the Asda superstore which in turn is on the edge of the town centre which is one of the main reasons why people want to live in this extremely convenient and popular location.

The property is constructed of an attractive facia brick to the external elevations under a pitched tiled roof and, as previously mentioned, derives the benefits of an efficient electric heating system. In brief the accommodation includes an open porch leading through the front door into the hall, from where there is wood grain effect flooring running through the lounge/sitting room into the fitted dining kitchen which has extensive ranges of grey wall and base units and integrated appliances and from the dining area there are double opening French style doors leading out to the private rear garden. To the first floor there are two bedrooms, the master bedroom has a built-in wardrobe and the bathroom which has a white suite with tiling to the walls and a shower over the bath position. Outside there is a pebbled area at the front of the house and a slabbed garden to the rear which has a secure storage unit for bikes and other equipment included, there is a large shed/workshop (13' x 9') which offers the potential to become a garden office, entertaining space or gym with both the front and rear gardens having been designed and landscaped to keep maintenance to a minimum. There is also a designated parking space allocated to the property and plenty of on road parking for visitors etc.

The Asda, Tesco, Aldi and Lidl stores and many other retail outlets are within a few minutes walk and it is in fact easier to walk to these than to get into a car and drive to them, there are excellent schools for all ages, healthcare and sports facilities, walks in the open spaces which can take you to Toton and there are excellent transport links which include J25 of the M1, East Midlands Airport, stations at Long Eaton and East Midlands Parkway and the A52 and other main roads which provide access to Nottingham, Derby and other East Midlands towns and cities.
