THIS IS A LOVELY DETACHED FAMILY HOME WHICH STILL HAS A BRAND NEW FEEL WITH THE PROPERTY BEING SITUATED ON A QUIET CUL-DE-SAC ON THE MOST SOUGHT AFTER PENNYFIELDS DEVELOPMENT.

Robert Ellis are extremely pleased to be instructed to market this spacious detached property which has been constructed within the last 10 years by Westerman Homes. The property includes very well proportioned accommodation with two reception rooms and three double bedrooms and it has approximately the same floor area as a four bedroom detached property built within this prestigious development. The property has been maintained to the highest standard by the current owners who purchased the property from new and since owning this lovely home have upgraded the en-suite shower room which was re-fitted by Steven Christopher and carried out similar work to the ground floor w.c. The property also benefits from having a Southerly facing garden to the rear and for all that is included in this stunning home to be appreciated, we strongly recommend that all interested parties do take a full inspection so they are able to see the whole property for themselves.

The property is constructed of an attractive facia brick to the external elevations all under a pitched tiled roof and something that may be of interest to people viewing is that the current owner has recently had drawings produced to have the house extended at the rear to enlarge the ground floor living space which might be a project a new owner may want to carry out in the future. Deriving all the benefits of gas central heating and double glazing and being a new property a high level of insulation throughout, the accommodation is entered through a stylish composite front door into the reception hall, off which there is the ground floor w.c., lounge, separate dining room, the exclusively fitted dining kitchen which has extensive ranges of wall and base units which are finished in white and grey gloss and includes several integrated appliances. To the first floor the generous landing leads to the three double bedrooms with the main bedroom having a recently installed Steven Christopher fitted en-suite shower room and then there is the main family bathroom which has a shower over the bath position. Outside there is the integral garage which has an internal door to the hallway and landscaped gardens which at the front has a block paved double width drive and a lawn with box hedging and the block work extends to a path at the side and to the patio at the rear, all of which helps to provide a very neat appearance. The rear garden has a lawn with a decorative bed and a brick built barbeque and is kept private by having fencing to the three boundaries.

This lovely family home is well placed for all the shopping facilities found in Long Eaton town centre which includes the Asda and Tesco superstores and many other retail outlets with there being a Tesco Extra just a few minutes away from the property, there are excellent schools for all ages, healthcare and sports facilities including the West Park Leisure Centre and adjoining playing fields which is a short walk away and the transport links include J25 of the M1, East Midlands Airport, stations at Long Eaton and East Midlands Parkway and there is the A52 and other main roads which provide good access to Nottingham, Derby and other East Midlands towns and cities.
