THIS IS A TWO DOUBLE BEDROOM VICTORIAN SEMI DETACHED HOUSE WHICH WOULD NOW BENEFIT FROM A REFURBISHMENT AND UPGRADE PROGRAMME.

Being located on Hamilton Road, this two bedroom property will appeal to a builder or investor type buyer who is looking for a property on which they can stamp their own mark. We do not feel this property is suitable for a first time buyer and therefore we are looking for a prospective purchaser who understands the work required to the property to bring it up to the right condition to be able to live in or rent out. For the size and condition of the property and privacy of the rear garden to be appreciated, we recommend that interested parties take a full inspection so they can see the whole property for themselves. The property is well placed for easy access to Long Eaton town centre and to the other amenities and facilities provided by the surrounding area.

The property is constructed of brick to the external elevations under a pitched tiled roof and the well proportioned accommodation does benefit from having gas central heating and double glazing. Being entered through the main entrance door at the side of the house the accommodation includes a reception hall, lounge, separate dining/sitting room and the kitchen which is fitted with wall and base units. To the first floor the landing leads to the two double bedrooms and bathroom which has a white suite with a mains flow shower over the bath position. Outside there is a shared path to the right hand side of the house and this provides access to the main entrance door and to the rear garden where there is a block paved area with slate chipped beds to the sides, there is a most useful outside building/store and the garden is kept private by having walls to the right and rear boundaries and fencing to the left hand side.

The property is within walking distance of Long Eaton town centre where there are Asda, Tesco, Lidl and Aldi stores as well as number other retail outlets, there are excellent schools for all ages within walking distance of the property, healthcare and sports facilities including the West Park Leisure Centre and adjoining playing fields and the excellent transport links include J25 of the M1, East Midlands Airport, stations at Long Eaton and East Midlands Parkway and the A52 and other main roads provide good access to Nottingham, Derby and other East Midlands towns and cities.
