**O/O £235,000 Freehold**

BEING SITUATED ON THE OUTSKIRTS OF LONG EATON, THIS DOUBLE FRONTED PROPERTY PROVIDES TWO RECEPTION ROOMS AND FOUR DOUBLE BEDROOM ACCOMMODATION WHICH IS BEING SOLD WITH THE BENEFIT OF NO UPWARD CHAIN.

Robert Ellis are pleased to be instructed to market this individual double fronted home which is being sold with the benefit of NO UPWARD CHAIN. The accommodation is arranged on three levels, having had the attic converted some years ago by the current owner into an additional bedroom and shower room and for the size of all that is included in this interesting and individual home to be appreciated, we recommend that interested parties do take a full inspection so they can see the whole property for themselves. The property is now in need of some updating works which we are sure will appeal to many people who are looking for something of an individual home with spacious accommodation.

The property is constructed of brick to the external elevations under a pitched tiled roof and the well proportioned accommodation derives the benefits of having gas central heating and double glazing. In brief the property includes the reception hall that leads to the two reception rooms which includes a lounge and a second sitting room or dining room and at the rear of the property there is the well fitted kitchen which has wall and base units and off the kitchen there is a separate utility room. To the first floor the landing leads to three double bedrooms and the bathroom which has a shower over the bath position and to the second floor is a further large double bedroom and a separate shower room. Outside there is a walled area at the front of the house and access via the left hand side of the property to the rear where there is a mature garden which needs some attention to reduce the size of the trees and bushes that were planted some years ago and at the bottom of the garden there is a most useful brick outbuilding which provides additional storage or could be a workshop or something similar.

The property is well placed for easy access to the centre of Long Eaton where there are Asda, Tesco and Aldi stores as well as many other retail outlets, there are excellent schools for all ages within walking distance of the property, healthcare and sports facilities with the West Park Leisure Centre and adjoining playing fields being only a few minutes away and West Park can be accessed from opposite the property where there is also the Erewash Canal which provides a canal side path to Trent Lock. The transport links include junctions 24 and 25 of the M1, East Midlands Airport which can be accessed via the Skylink bus which takes you to Castle Donington and the Airport, there are stations at Long Eaton and East Midlands Parkway and the A52 and other main roads provide good access to Nottingham, Derby and other East Midlands towns and cities.
