**£349,995 Freehold**

THIS IS A REFURBISHED AND UPGRADED TWO DOUBLE BEDROOM DETACHED BUNGALOW WHICH HAS LOVELY, PRIVATE LANDSCAPED GARDENS TO THE REAR.

Being located on Devonshire Avenue which is a quiet road on the outskirts of Long Eaton, this double fronted detached property will provide a lovely home for somebody who wants to move into their next property without having to carry out any work whatsoever. The current owners have spent the past couple of years carrying out an upgrade programme which among other things includes refitting both the kitchen and bathroom, creating a shower room en-suite to one of the bedrooms, replacing windows to the rear, re-plastering as required and re-decorating and fitting new floor coverings throughout. Outside the block paved drive has been laid to the left of the bungalow with the block work extending across the front of the bungalow, all of which helps to provide a very neat appearance to the property looking from the road. The garden to the rear has also been landscaped, there is a decked area to the immediate rear of the bungalow which has paths running to the bottom of the garden with several places to sit and enjoy outside living and there is also a new shed positioned behind the garage and a greenhouse which will be included in the sale.

The property has a double fronted appearance and is constructed of brick to the external elevations, the front being relieved by rendering, all under a pitched tiled roof. Deriving the benefits of gas central heating and double glazing the accommodation includes a spacious reception hall, large lounge which has French double opening doors leading to the conservatory which is an extra room that connects the main living accommodation to the beautiful rear garden. The dining kitchen is again a large room and this is exclusively fitted with duck egg coloured Shaker units which includes a very fashionable corner pantry cupboard with shelving and lighting, integrated cooking appliances and an American style Kenwood fridge/freezer. The two double bedrooms are positioned at the front of the bungalow and one has an en-suite shower room with a mains flow shower system and there is then the main bathroom which has a white suite with a shower over the bath. There is also a hatch with ladder from the utility area which is positioned between the hall and bathroom and provides access to an attic room which is additional space that could have several different uses as people will see when they visit the property. Outside the block paved drive provides access to the detached garage at the rear with the block paving extending across the front which helps to keep maintenance at the front of the property to a minimum and as previously mentioned there is the private Southerly facing gardens at the rear.

The property is well placed for easy access to the Asda and Tesco superstores and many other retail outlets provided by Long Eaton with the Chilwell Retail Parks only being a few minutes drive away where there is an M&S food store, Next, TK Maxx and other outlets and those provided by Beeston are also only a short drive away, if required there are schools for all ages, healthcare and sports facilities including several local golf courses, walks at the picturesque Attenborough Nature Reserve and at Toton Fields and the excellent transport links include J25 of the M1, East Midlands Airport, stations at Attenborough, Beeston, Long Eaton and East Midlands Parkway and the A52 and other main roads provide good access to Nottingham, Derby and other East Midlands towns and cities.
