Being situated on Brecknock Drive, this recently extended detached home provides highly appointed four bedroom accommodation which is well placed for easy access to all the amenities and facilities provided by the area and to excellent transport links, all of which has helped to make this an extremely popular and convenient place to live. Approximately 3 years ago the property was extended and re-fitted by the current owners and for all that is now included to be appreciated, we recommend interested parties do take a full inspection so they are able to see the size and quality of the accommodation and the size of the Southerly facing rear garden for themselves.

To the first floor the landing has a large walk-in storage cupboard off and oak panelled doors leads to the four good size bedrooms, the main bedroom having a luxurious en-suite shower room with a mains flow shower system and the main bathroom has also been re-fitted and this has a separate large walk-in shower as well as a bath. At the front of the house there is off the road parking for two vehicles and a lawned area with established planting to the side.
