THIS IS A DETACHED FOUR BEDROOM HOME SITUATED IN THIS SOUGHT AFTER LOCATION WHICH HAS VIEWS OVER OPEN FIELDS TO THE REAR AND IS CLOSE TO THE CENTRE OF BREASTON VILLAGE.

Being situated on Churchill Close, this gable fronted detached property offers three or four bedroom accommodation which is tastefully finished throughout and has a lovely open plan feel to the ground floor living space with there being a garden/sitting room which connects the main living accommodation to the private and sunny garden at the rear. Over recent years the property has had the kitchen re-fitted and bi-folding doors installed which provides access from the dining area into the garden room, there is a shower room to the first floor which could easily have a bath re-fitted if this was preferred and as people will see when they view the property, two of the bedrooms at the front have been combined so there is currently a dressing area off one of the larger bedrooms, but a wall could be reinstated so the property returns to being a four bedroom property, if this was preferred by a new owner. The property is well placed for easy access to the amenities and facilities provided by Breaston village which includes schools for younger children, a number of shops, while other amenities and all the facilities provided by Long Eaton are only a short drive away.

The property is constructed of brick to the external elevations under a pitched tiled roof and the light and airy accommodation derives all the benefits of gas central heating and double glazing. Being entered through a stylish composite front door, the accommodation includes a reception hall which has a ground floor w.c. off, a large lounge/sitting room with a box bay window to the front and a feature fireplace and from this main living room there are folding doors leading into the dining/living kitchen which has extensive ranges of Shaker style wall and base units and integrated appliances and there are the bi-folding doors leading into the sitting/garden room, from which there are French doors leading out to the rear garden. To the first floor the landing leads to the four bedrooms and a shower room which has a large walk-in shower. Outside there is a detached brick garage with double opening doors at the front, a block paved driveway and parking area at the front which extends down the right hand side of the house to the garage and there is a private rear garden which has been landscaped and designed to keep maintenance to a minimum with there being Indian sandstone patios, a stoned area with a central bed and further beds to the side and behind the garage with fencing and natural screening to the boundaries.
