

Dale Road,
Stanton-By-Dale, Ilkeston
DE7 4QF

Guide Price £725-750,000
Freehold

THIS IS AN INDIVIDUAL BARN CONVERSION WHICH HAS RECENTLY BEEN UPDATED AND STILL RETAINS ALL THE CHARM AND CHARACTER OF THE ORIGINAL BUILDING WITH THE PROPERTY PROVIDING SPACIOUS, FOUR DOUBLE BEDROOM ACCOMMODATION AND IS LOCATED IN THE HEART OF THIS MOST SOUGHT AFTER VILLAGE.

Robert Ellis are pleased to be instructed to sell Manor Cottage which is an individual detached stone barn conversion which is accessed via a private drive off Dale Road with all the accommodation included having windows overlooking the private well stocked gardens at the rear of the building. The property is much larger than people will expect it to be and for the size and layout of the updated accommodation to be appreciated, we recommend interested parties take a full inspection so they can see all that is included in this beautiful home for themselves. The property is being sold with the benefit of NO UPWARD CHAIN and is therefore ready to move into without having to carry out any work whatsoever. Since the current owner purchased the property he has updated the kitchen, replaced the en-suite bathroom to the main bedroom, decorated throughout, had new floor coverings, new internal wooden doors and feature radiators have been fitted in all the rooms. Stanton by Dale is a picturesque village which was originally part of the Stanhope Estate but since 1912 has had a close association with Stanton Ironworks Company, with there being a lot of local history associated with the area due to the well known ironworks operating during the last century. The village is surrounded by beautiful countryside and provides many places to walk and although it is a quiet village setting, it is only a few minutes drive away from the M1 and other excellent transport links, all of which have helped to make this a very popular and convenient place to live.

The property backs onto Dale Road and is constructed of a local stone to the external elevations under a pitched tiled roof and the building was originally the stables for the manor house which is located behind the property. The accommodation is spacious and retains many features which helps to provide a cosy cottage feel, which people will see when they view. Deriving the benefits of gas central heating with new radiators having been fitted and from being double glazed, the accommodation is entered through a glazed front door into the reception hall, off which there is a ground floor w.c. and doors lead to the study or sitting room and the main through lounge which includes a dining area and there are double doors leading from the lounge into the conservatory. The breakfast kitchen is situated at the far end of the building and this has been re-fitted over the past few years with grey Shaker style units and marble work surfaces with integrated appliances. There is also a further reception room off the hall which can be used as an office/study, separate sitting room, play room or something similar, or could be used as a ground floor double bedroom. The stairs take you to the landing which has newly fitted wood panelled doors leading to the four double bedrooms, three of which have fitted bedroom furniture and the master bedroom has the newly fitted en-suite bathroom which has a bath and separate shower and there is also the main family shower room which has a mains flow shower system. At the head of the private drive there is the double brick detached garage which has an electrically operated up and over door at the front, car standing in front of the garage and between this area and the cottage there are beautiful, well cared for gardens which are well stocked with quality plants to the borders around the main lawn, all of which is kept private from other properties by established screening to the boundaries.

Although being tucked away from Dale Road, the property is close to the excellent pubs in the village, which over the years have been popular with local residents as has The Carpenter Arms in Dale Abbey, there is a local school for younger children in Risleigh, with Friesland senior school also being within easy reach, as are The Elms and Trent College independent schools which are located in Long Eaton, there are shops in nearby Ilkeston, Sandiacre and Long Eaton where there is an Asda, Tesco, Lidl and Aldi stores and at Pride Park which is only a few minutes drive away along the A52 where there is a Sainsbury's, Costco and other retail outlets. Surrounding the village is picturesque open countryside which provides many lovely walks, the Erewash Golf Club is next to the village and again is a very popular for local people to join and there are several other golf courses within easy reach. As well as J25 of the M1 being a short drive away, other transport links include East Midlands Airport, stations at Long Eaton, East Midlands Parkway and Derby and the A52 and other main roads provide good access to Nottingham, Derby and other East Midlands towns and cities.

Front Door

Wooden front door with inset double glazed panels and a double glazed side panel leading to:

Reception Hall

The reception hall has newly laid tiled flooring, cloaks hanging, feature radiator, the wall mounted control for the central heating system and wood panelled doors lead to the cloaks/w.c., lounge and study.
