Robert Ellis are pleased to be instructed to market this substantial detached property which is positioned on a large plot which backs onto playing fields which helps to provide a very quiet and private garden to the rear. The property has a very homely feel and for the size of the accommodation to be appreciated, we recommend interested parties do take a full inspection so they are able to see what is included to both the ground and first floors, the double tandem garage which is positioned to the left of the house and the extensive gardens to the rear. To the first floor the enlarged landing, which includes a study area, leads to the four double bedrooms, bathroom which has a separate shower and bath and the separate w.c.
