THIS IS AN INDIVIDUAL DETACHED HOUSE PROVIDING TWO BEDROOM ACCOMMODATION WHICH IS EASILY ACCESSIBLE TO ALL THE AMENITIES AND FACILITIES PROVIDED BY LONG EATON TOWN CENTRE.

Being located on Russell Street, this individual two double bedroom detached property provides a lovely home which we are sure will suit a whole range of buyers, from people purchasing their first property to those who might be downsizing and looking for a property which is easily maintained and accessible to all the local amenities and facilities. For the size of the accommodation and privacy of the rear garden to be appreciated, we recommend that interested parties do take a full inspection so they can see all that is included in this lovely home for themselves.

The property is constructed of brick to the external elevations under a pitched tiled roof and the well proportioned accommodation derives the benefits of having gas central heating and double glazing. In brief the house includes a reception hall, which has stairs leading to the first floor and a door into the breakfast kitchen which is fitted with wall and base units and has integrated cooking appliances. To the rear of the property there is the main lounge/living room which could include a dining area and this room has French double opening, double glazed doors leading out to the rear garden and there is also a ground floor w.c. which could alternatively be used as a storage area. To the first floor the landing leads to the two bedrooms and the bathroom which has a white suite with a mains flow shower system over the bath. Outside there is a small garden area at the front with a path running down the right hand side of the property to the rear where the garden at the back of the house has a patio leading onto a lawn with a further slabbed area at the bottom of the garden, all of which is kept private by having fencing to the boundaries.

The property is within easy reach of Long Eaton town centre where there are Asda, Tesco, Aldi and a soon to be opened Lidl store with many other retail outlets, there are healthcare and sports facilities which includes the West Park Leisure Centre and adjoining playing fields, if required there are schools for all ages and the transport links include J25 of the M1, East Midlands Airport, stations at Long Eaton and East Midlands Parkway and the A52 and other main roads provide good access to Nottingham, Derby and other East Midlands towns and cities.
