

Hopwell Road,
Draycott, Derbyshire
DE72 3NH

£350,000 Freehold

ROBERT ELLIS ARE PLEASED TO BE INSTRUCTED TO MARKET THIS FOUR DOUBLE BEDROOM PROPERTY WHICH IS SITUATED CLOSE TO THE HEART OF THIS MOST SOUGHT AFTER VILLAGE.

Being located on Hopwell Road, this spacious property has since originally being originally constructed been substantially extended so it now provides enlarged ground floor living accommodation and four double bedrooms. The property is positioned on the edge of the village and is therefore close to open countryside which provides walks across adjacent fields and along the recently excavated Derby canal which runs between Hopwell Road and Derby Road. For all that is included in this lovely home to be appreciated, we strongly recommend that interested parties do take a full inspection so they can see the size of the accommodation to both the ground and first floor levels for themselves as well as the privacy and size of the rear garden which has recently had new patios laid and these provide several areas for people to sit and enjoy outside living during warmer months.

The property is rendered to the external elevations under a pitched tiled roof and the accommodation included derives the benefits of gas central heating with a new boiler having been installed over recent years and double glazing. In brief the accommodation includes a fully enclosed porch leading through an internal door to the reception hall with a ground floor w.c. and to the right of the hall there is a lounge which has a feature open fireplace and extending across the back of the house is the living/dining kitchen which has a kitchen area that is fitted with wall and base units and from the dining area there are double opening double glazed French doors leading out to the rear garden. To the first floor the landing leads to the four double bedrooms and the bathroom which has two shower facilities over the bath position. Outside there is an integral garage with a block paved driveway at the front of the property and a garden area with a path leading down the left hand side of the house through a gate to the rear garden. At the rear of the house there is the recently laid patio running across the width of the property and this leads down to a lawn with a further patio at the bottom of the garden. The garden is kept private by having fencing and walls to the boundaries and is a special feature of the house for people to enjoy during summer months.

Draycott village has won several awards over recent years for various community initiatives which includes Draycott in Bloom and other festivals throughout the year, all of which has helped to make this a very popular village for people to move to. The village has a number of local shops and schools for younger children which is literally across the road and there are schools for older children being found in nearby Long Eaton and Sandiacre. There are healthcare and sports facilities which include several local golf courses, walks in the surrounding picturesque countryside with St Chad's being only a few minutes away where there is a Nature Reserve and lake and the transport links include J25 of the M1, East Midlands Airport, stations at Long Eaton, East Midlands Parkway and Derby and the A52 and other main roads provide good access to Nottingham, Derby and other East Midlands towns and cities.
