Holt Croft Close is now established as a prestigious development situated at the head of a private drive off Fairfield Avenue in the heart of Breaston just serving the six properties, all of which are positioned on good size plots with Southerly facing rear gardens. The properties have a traditional appearance and are constructed of an attractive facia brick, the fronts being relieved by either tiling or rendering, all under a pitched tiled roofs. The accommodation is arranged on three levels and both properties will be very similar apart from the position of the garage, which in number 5 is separate and this allows there to be a second reception room and a more open plan living/dining kitchen. Further build features of these properties is that they will have concrete beam and block floors to both the ground and first floors which will help to provide a solid feel throughout the house with all the floors in the house having under floor heating which will mean there are no wall mounted radiators.

Both the remaining properties will be built on three levels with the main windows overlooking the rear gardens and fields beyond. The properties will be double glazed throughout with high quality powder coated windows which help to provide a quality feel to each house. The accommodation of number 7 will include a fully enclosed reception porch, spacious hallway with oak flooring and a feature staircase with oak spindle balustrade leading to the first floor and oak panelled doors leading to the ground floor w.c., lounge and double doors taking you into the living/dining kitchen from which there are bi-folding doors leading to the large decked area at the rear of the house and South facing lawned gardens. The kitchen area within this living space will be fitted to the highest quality by Stephen Christopher and will include extensive ranges of granite work surfaces with a central island, wall and base units and several built-in appliances. This area of the house will have tiled flooring which will extend to the utility room. The ground floor will also have a lounge with a box bay window to the front and a separate dining or additional sitting room. To the first floor there will be three double bedrooms, all of which will have their own bath/shower room en-suite, with the master bedroom having a dressing room and double opening glazed doors to a Juliette balcony with views over the rear garden. There is a second flight of stairs to the second floor where there are two further double bedrooms with views over the gardens and a luxurious bathroom which serves these two large bedrooms. The separate double garage is situated at the front of the property and this will have a folding up and over electric entrance door and side entrance. There will be parking and a garden to the front of the house with gated access via the side. At the rear there will be a Southerly facing garden which will have a large decked area leading onto a lawned garden.

Breaston is an award winning village situated in Derbyshire and is close to excellent transport links including J25 of the M1, stations at Long Eaton, East Midlands Parkway and Derby and the A52 and other main roads which provide good access to many towns and cities in the East Midlands.
