Road,
Sawley, Nottingham
NG10 3AT
£235,000 Freehold

Robert Ellis are pleased to be instructed to market this two double bedroom semi detached house which is positioned towards the rear of this select development of just six properties located on Tamworth Road in Sawley. The property is currently being constructed by NA Homes and should be completed and ready for occupation during the early part of 2024. We are initially marketing plot 6 using CGI images, but we can arrange a site visit so interested parties can get a feel for the location of the properties and the quality of the build programme being carried out.

This semi detached house is being traditionally constructed with an attractive facia brick to the external elevations under a pitched tiled roof and the well proportioned accommodation will derive the benefits of gas central heating and double glazing and will be highly insulated throughout which will help to keep the running costs to a minimum.

The accommodation will include a reception hall with a ground floor w.c. off and from the hall there will be a door to the open plan living/dining kitchen. At the front of this large open space there will be an exclusively fitted kitchen which will have several integrated appliances and between the kitchen and sitting room there will be a dining area. The sitting room is positioned at the rear of the house and from this area there are stairs leading to the first floor. To the first floor the landing will lead to two double bedrooms and a luxurious bathroom which will have a white three piece suite and a shower over the bath. Outside there will be parking provided and a garden area.

Sawley is a very popular residential area which has a number of local shops including a Co-op store on Draycott Road and other shops on Tamworth Road with more shopping facilities being found in nearby Long Eaton where there are Asda, Tesco and Aldi stores as well as many other retail outlets, there are healthcare and sports facilities which include the Trent Lock Golf Club, excellent local pubs and restaurants in Sawley and at Trent Lock, walks in the surrounding picturesque countryside and along the banks of the River Trent and the excellent transport links include junctions 24 and 25 of the M1, East Midlands Airport, which can be reached via the Skylink bus which takes you to Castle Donington and the airport, stations at Long Eaton and East Midlands Parkway and the A52 and other main roads provide good access to Nottingham, Derby and other East Midlands towns and cities.
