A THREE BEDROOM DETACHED FAMILY HOME FOUND AT THE HEAD OF A CUL-DE-SAC.

Situated at the head of a delightful cul-de-sac, this three bedroom detached home is deceptively spacious throughout and benefits from a private rear garden, off street parking and garage. There is also the benefit of no upward chain and we strongly recommend all interested parties take an internal inspection so they can see all that is included in the property for themselves. The property is within easy reach of local schools and within walking distance of shops and facilities and there is also access to the M1 and A52 road networks which provide an easy commute to Nottingham and Derby.

The property is constructed of brick to the external elevation all under a pitched tiled roof and the well proportioned accommodation briefly comprises of a porch leading in to the lounge which then flows onto the dining room, kitchen, utility and ground floor w.c. To the first floor there are three bedrooms and the family shower room. Outside the front has great stance and curb appeal, a generous amount of off street parking with access to the garage and lawned garden. The rear garden is a great asset to the property as it is private and enclosed with delightful lawn, raised dug beds, patio area and garden shed. This can be accessed from the side or the rear door. This property will be extremely popular as it is situated in a highly desirable residential location and will make a fantastic family home.
