AN EXTENDED FIVE BEDROOM DETACHED PROPERTY SITUATED ON A QUIET CUL-DE-SAC LOCATION.

Robert Ellis are delighted to bring to the market a large and spacious property that has been extended to the rear and offers versatile living accommodation. The garage has been converted into a double bedroom with built-in wardrobes and beyond this is a ground floor shower room, separate utility with sink and cooking facilities, so if needed these rooms could be used for an elderly relative or teenagers seeking their own space. From the second inner hallway you can also access the lounge. This property is not to be missed and we highly recommend an internal viewing to fully appreciate all that is on offer.

The property is constructed of brick to the external elevation all under a tiled roof and benefits from modern conveniences such as gas central heating and double glazing. In brief the accommodation comprises of a spacious entrance hall, ground floor w.c., kitchen, dining room and a lounge. From the hallway there is ample storage leading to the ground floor bedroom, shower room and utility/kitchen with access to the rear garden. To the first floor there are four bedrooms, the master benefiting from an en-suite shower room and a separate family bathroom. Outside there is off the road parking for several vehicles and a privately enclosed rear garden.

Sandiacre is an established residential area which is well placed for easy access to J25 of the M1 and the A52. There are excellent shopping facilities found in nearby Long Eaton where there are Asda and Tesco superstores and numerous other retail outlets, there are schools for all ages, healthcare and sports facilities including several local golf courses, walks in the nearby countryside and other transport links include East Midlands Airport, stations at Long Eaton, Derby and East Midlands Parkway and as well as the A52 there are other main roads which provide access to Nottingham, Derby and other East Midlands towns and cities.
