ROBERT ELLIS ARE PLEASED TO BE INSTRUCTED TO MARKET THIS LARGE FOUR BEDROOM FAMILY HOME WHICH IS BEING SOLD WITH THE BENEFIT OF NO UPWARD CHAIN.

Being situated on a quiet cul-de-sac in the heart of this most sought after residential area to the West of Nottingham, this detached four bedroom home was constructed in 1989 by Thomas Lowe Homes and having been lived in by the same owner since it was built, is ready for immediate occupation and will provide a new owner the opportunity to in time stamp their own mark on their next home. The property is one of the larger four bedroom home types that was built in the area and for all that is included to be appreciated, we recommend that interested parties do take a full inspection so they are able to see the size of the rooms included and the privacy of the rear garden for themselves. Toton has over the past couple of decades become recognised for its excellent local schools for all ages which has been one of the main reasons people have wanted to move to the area and there are also excellent transport links, all of which have helped to make Toton such a popular and convenient place to live.

The property is positioned on a private drive and is constructed of facia brick to the external elevations under a pitched tiled roof and the spacious accommodation included derives all the benefits of gas central heating with the boiler having been replaced over recent years and from being mostly double glazed. In brief the accommodation includes a reception hall, large lounge with a box bay window to the front and double doors leading to a separate dining room which has patio doors leading out to the rear garden. The kitchen is fitted with wall and base units and there is a good size utility room and ground floor w.c. To the first floor the landing leads to the four bedrooms, the main bedroom having an en-suite shower room, and all the bedrooms have built-in wardrobes with the two larger rooms having wardrobes with mirror fronted sliding doors and there is then the family bathroom which is partly tiled and has a three piece suite. Outside there is the part integral garage which has an up and over door to the front and an internal door to the utility room, at the front there is a drive and car standing area and a gated path runs down the right hand side of the house to the rear where there is the main garden which is mostly lawned with beds to the sides and there is a slabbed patio to the immediate rear of the house with the garden being kept private by having a curved wall and fencing to the boundaries and there is a wooden shed which will remain at the property when it is sold.

The property is only a couple of minutes drive away from the Tesco superstore on Swiney Way with many other retail outlets including several large supermarkets being found in the nearby towns of Long Eaton and Beeston and also at the Chilwell Retail Park where there is an M&S food store, Next, TK Maxx and a number of coffee eateries, there are the excellent schools for all ages which are within walking distance of the house, healthcare and sports facilities which include several local golf courses, walks at Toton fields and the picturesque Attenborough Nature Reserve and the excellent transport links include J25 of the M1, East Midlands Airport, stations at Beeston, Attenborough, Long Eaton and East Midlands Parkway and the latest extension to the Nottingham Tram System terminates in Toton and provides another means of transport to and from Nottingham city centre and the A52 and other main roads provide good access to Nottingham, Derby and other East Midlands towns and cities.
