THIS IS A FULLY UPDATED THREE-BEDROOM DETACHED BUNGALOW SITUATED ON THIS VERY POPULAR ROAD AND IS A PROPERTY WHICH IS READY FOR A NEW OWNER TO MOVE IN TO WITHOUT HAVING TO CARRY OUT ANY WORK WHATSOEVER.

Standing in the middle of Seaburn Road, this gable fronted three bedroom detached bungalow provides a lovely home which has been recently fully updated throughout with a new kitchen having been fitted, new carpeting and full re-decoration throughout. The property has been fully rewired and now benefits from a brand new central heating system together with a new Baxi combi-boiler. We strongly recommend that all interested parties do take a full inspection so they are able to see the size and quality of the accommodation and the privacy of the rear garden for themselves. Seaburn Road is also well placed for easy access to all the amenities and facilities provided by the area which include easy access to supermarkets and other shops and to excellent transport links, all of which have helped to make this a very popular and convenient place to live.

The property was built approximately 70 years ago and is of brick construction under a pitched tiled roof. The tastefully finished accommodation derives all the benefits of a brand new gas central heating system and double wall-mounted radiators, with double glazing throughout, and having the luxury of a spacious reception hall which has new carpeted flooring extending across into other areas of the bungalow. There is a ceiling hatch in the hall taking you to the large loft space which does have the potential to be converted into additional bedroom accommodation (subject to the relevant planning permission), but currently provides an ideal storage facility. The lounge has double opening double-glazed doors leading through into the rear enclosed garden. The newly fitted dining-kitchen has beautiful wall, base and drawer units with LED under-counter lighting, integrated hob, extractor, and oven. Externally, there is a well serviced outhouse which has power and water connected, and is currently being used to house the washing machine and tumble drier. There are two double bedrooms at the front of the bungalow, and a third smaller bedroom located centrally within the dwelling, again these have new carpeting throughout. The bungalow has also been fully re-plastered and redecorated to the highest quality. The shower room is fully tiled and there is a walk in shower, pedestal sink and matching W.C. Outside there is a driveway to the front which extends down the right hand side of the bungalow giving the bungalow a very neat appearance from the roadside. At the end of the drive is a detached garage which provides an ideal storage facility, and there is gated access to the secluded south-west facing rear garden which gets sun all-day and offers a superb space for outside living. Within the garden there two sheds and a greenhouse.

The property is a few minutes drive away from the Tesco superstore on Swiney Way and there are many other supermarkets and shops found in the nearby towns of Beeston and Long Eaton and at the Chilwell Retail Park where there is an M&S food store, Next, TK Maxx and other outlets. If required there are excellent local schools for all ages, healthcare and sports facilities including several local golf courses, walks at Toton Fields and the picturesque Attenborough Nature Reserve and the excellent transport links include the latest extension to the Nottingham tram system which terminates in Toton and provides another means of transport to and from Nottingham city centre, there is J25 of the M1, East Midlands Airport, stations at Attenborough, Beeston, Long Eaton and East Midlands Parkway and the A52 and other main roads which provide good access to Nottingham, Derby and other East Midlands towns and cities.
