

Draycott Road,
Breaston, Derbyshire
DE72 3DA

O/O £400,000 Freehold

THIS IS A LARGE THREE RECEPTION ROOM AND FIVE DOUBLE BEDROOM DETACHED COTTAGE STYLE PROPERTY POSITIONED ON A LARGE PLOT WHICH IS NOW IN NEED OF A FULL UPGRADE AND REFURBISHMENT PROGRAMME.

Being located on Draycott Road as you drive out of Breaston towards Draycott, this substantial property is being sold with the benefit of NO UPWARD CHAIN and is now ready for a complete refurbishment and upgrade programme to allow a new owner to stamp their own mark on their next property. The property has previously had two living areas as people will see when they view and for the size of the accommodation and privacy of the southerly facing rear garden to be appreciated, we recommend that people who are looking for a project take a full inspection so they can see all that is included in the property for themselves. The property is situated within easy reach of the centre of Breaston village which provides a number of local amenities and facilities and has over the years become a very popular and convenient semi-rural location in which to live.

The property is constructed of brick with render to the external elevations and the spacious accommodation derives the benefits of gas central heating and double glazing which as part of a refurbishment project is probably something that needs replacing. Being entered through the main entrance door at the side, the property includes a reception hall which has Georgian glazed doors leading to the main lounge at the front, there is a door leading to the inner hall which provides access to the separate dining room, a sitting room which has a fitted bar, panelling to one wall and French doors leading out to the rear garden and there is the breakfast kitchen which needs re-fitting and again has a glazed French door leading out to the rear. To the first floor the landing areas lead to two double bedrooms and a box room at the front and there is then a separate living area which could include three double bedrooms and the bathroom, which again needs re-fitting. Outside there is a lawned garden at the front, a drive extends down the right hand side of the property to the detached garage and there is access via the gate between the garage and cottage to the mature gardens at the rear which have patios, lawns, well planted borders and there are paths leading to the bottom of the garden where there is a seating area overlooking the Golden Brook.

The property is within walking distance of the centre of Breaston village where there are local shops, three pubs and a bistro restaurant, there are several coffee eateries, healthcare and sports facilities including several local golf courses, walks in the surrounding picturesque countryside, there are excellent local schools for younger children and schools for older children can be found in Long Eaton and at Sandiacre and the transport links include J25 of the M1, East Midlands Airport, stations at Long Eaton and East Midlands Parkway and the A52 and other main roads provide good access to Nottingham, Derby and other East Midlands towns and cities.
