Being located on Reedman Road, one of the most popular community roads in Sawley, this traditional bay fronted semi detached house offers families and first time buyers alike a lovely home. For the size and space of the accommodation, a viewing is highly recommended. From a multi fuel burner in the lounge, the original internal doors, parquet flooring in the hallway and the usual mod cons also in play with gas central heating and double glazing throughout and block paved parking to the front offering two parking spaces, this is one property that shouldn't be missed.

The property is constructed of brick to the external elevations under a pitched tiled roof and stands back from the road with a block paved front driveway leading to the front door with feature tiled step and when opening the front door you are greeted by a beautiful parquet flooring leading to the two reception rooms which has been tastefully and recently decorated to incorporate feature fireplaces, one of which has a multi fuel burner, the flooring has also been replaced with attractive fusion flooring. IN the hallway there are understairs cupboards offering plenty of storage, the kitchen benefits from a mixture of modern cream wall and base units with oak effect work surfaces with many integrated appliances along with dual aspect windows to the side and rear making this a light and airy space. To the first floor the wooden balustrades provide a beautiful feature leading to the landing with three bedrooms and family bathroom, the bath having a rainwater shower over. Outside there is a block paved drive for two cars leading down the left hand side to the rear garden which has two spacious block paved patio areas, lawn, large storage shed and fencing to the boundaries.
