THIS IS A RELATIVELY NEW THREE DOUBLE BEDROOM SEMI DETACHED PROPERTY WHERE THE ACCOMMODATION IS ARRANGED OVER THREE LEVELS.

We are very pleased to be asked to market this semi detached property which provides well proportioned accommodation arranged on three floors. The property is being sold with the benefit of no upward chain and for the size of the accommodation included and privacy of the rear garden to be appreciated, we strongly recommend that interested parties do take a full inspection. The property is now in need of some TLC but it really is only decoration that is required to make this a lovely home which will suit a whole range of buyers, from people purchasing their first property through to a family who are looking for a three bedroom home or someone who is looking for a property that would be easy to rent. The property also has the benefit of an adjoining brick garage positioned to the left hand side of the house and there is a path leading from the front via the left of the garage to the private rear garden.

The property is constructed of an attractive facia brick to the external elevations under a pitched tiled roof and the well proportioned accommodation derives the benefits of gas central heating and double glazing. In brief the property includes a reception hall with a ground floor w.c. off, a large lounge/sitting room, a fitted kitchen which is positioned to the front of the house and to the first floor there are two double bedrooms and the bathroom and to the second floor the main bedroom which has a walk-in wardrobe and separate shower room. Outside there is the adjoining garage, a drive and a small garden area to the front and to the rear a patio and lawned area with the garden being kept private by having fencing and hedging to the boundaries.

The property is within easy reach of the local amenities and facilities provided by Spondon and Borrowwash with there being an Asda superstore in Spondon and Sainsbury's at Pride Park which is only a few minutes drive away.
