

Hind Avenue,
Breaston, Derbyshire
DE72 3DG

£220,000 Freehold

THIS IS A TRADITIONAL THREE BEDROOM SEMI DETACHED HOUSE LOCATED ON THE OUTSKIRTS OF BREASTON VILLAGE, WHICH IS NOW IN NEED OF A GENERAL UPDATE AND REFURBISHMENT PROGRAMME.

Being located on Hind Avenue, this traditional three bedroom property is now being sold with the benefit of NO UPWARD CHAIN. The property provides the potential for a new owner to stamp their mark on their next property and for the size and layout of the accommodation and privacy of the rear garden to be appreciated, we recommend that interested parties take a full inspection so they can see all that is included in this lovely home for themselves. The property is only a short distance away from the centre of Breaston village where there are a number local shops and other facilities and is also close to excellent transport links, all of which have helped to make this a very popular and convenient place to live.

The property is constructed of brick to the external elevations under a pitched tiled roof and the well proportioned accommodation derives the benefits from having double glazing, but there is currently no central heating. Being entered through the front door, the accommodation includes a reception hall with Georgian glazed doors leading to the lounge and to the kitchen which is fitted with wood finished wall and base units and has an adjoining dining area. From the kitchen there is a door leading into an enclosed covered porch/rear hall which connects to a store, w.c. and workshop/utility room and all these areas could be combined to provide additional enlarged living accommodation as has happened in other similar properties in the area. To the first floor the landing leads to three bedrooms, bathroom and a separate w.c. Outside there is a paved and pebbled area at the front which could be changed into a drive and provide off road parking for the property and at the rear there is a good size, mature garden with patios, lawn and good quality fencing to the side boundaries.

As mentioned, Breaston has a number of local shops, there are schools for younger children and further shopping facilities and schools for older children being found in nearby Long Eaton where there are Asda, Tesco, Lidl and Aldi stores as well as many other retail outlets, there is a Co-op convenience store, three local pubs, a bistro reader want and several coffee eateries in Breaston, healthcare and sports facilities including several local golf courses, walks in the surrounding picturesque countryside and the transport links include J25 of the M1, East Midlands Airport, stations at Long Eaton and East Midlands Parkway and the A52 and other main roads provide good access to Nottingham, Derby and other East Midlands towns and cities.
