£275,000 Freehold

THIS TRADITIONAL BAY FRONT SEMI DETACHED HOUSE OFFERS THE OPPORTUNITY FOR SOMEONE TO STAMP THEIR OWN MARK ON THEIR NEXT PROPERTY.

Being situated on Nottingham Road in Toton, this semi detached house is situated on a large plot with the garden at the front being approximately 170' in length. The property now provides the opportunity for a new owner to carry out work to the house so it suits their own requirements which could include extending to the side and rear as has happened with other properties along this part of Nottingham Road. We are looking for a buyer who understands the work that is required with a good size deposit to put down as there is work required to the house so it includes what is required for today's style of living. The property is situated in Toton which is a very desirable area to the West of Nottingham and this particular property benefits from having a large plot and overlooking open fields on the other side of Nottingham Road. The property is close to excellent local schools, there are retail outlets at the Chilwell Retail Parks which are within walking distance of the property and many other amenities and facilities being found in the nearby towns of Long Eaton and Beeston, all of which have helped to make this a very popular and convenient place for people to live.

The property is constructed of brick to the external elevations under a pitched tiled roof and the well proportioned accommodation included derives the benefit of gas central heating and double glazing and includes a fully enclosed porch, reception hall with ground floor w.c. off, the lounge and dining room have been combined but these could easily be changed back into separate rooms if this was preferred and there are patio doors off the dining area into a sun lounge which in turn connects to the rear garden. The kitchen is basically fitted and off the kitchen there is a utility room which again has doors leading out to the rear of the property. To the first floor the landing leads to the three bedrooms and the bathroom which has been changed into a shower room but could easily have a bath re-installed if this was preferred by a new owner. Outside there is the long garden at the front which is approximately 170' in length and this provides off the road parking at the front of the house and a garden which can be further landscaped to enhance the property. There is a covered car port area at the right hand side of the house with an up and over door at the front and there is a garage positioned to the rear. The rear garden has a raised pond, a large greenhouse and is paved and would again now benefit from further landscaping to make best use of this external area at the rear of the property.

The property is within easy reach of the Chilwell Retail Parks where there is an M&S Food Store, Next and TK Maxx as well as several coffee eateries, there is a Tesco superstore on Swiney Way with further large supermarkets being found in the nearby towns of Long Eaton and Beeston, there are excellent schools for all ages, healthcare and sports facilities which include several local golf courses, walks at the picturesque Attenborough Nature Reserve and the transport links include J25 of the M1, the latest extension to the Nottingham Tram System which terminates at Toton, stations at Long Eaton, Attenborough, Beeston and East Midlands Parkway and the A52 and other main roads provide good access to Nottingham, Derby and other East Midlands towns and cities.
