Long Eaton, Nottingham

**£175,000 Freehold**

SITUATED ON COLLEGE STREET, THIS TWO/THREE BEDROOM PROPERTY PROVIDES THE OPPORTUNITY FOR A NEW OWNER TO STAMP THEIR OWN MARK ON THEIR NEXT HOME.

Being located on the outskirts of Long Eaton, this traditional Edwardian semi detached property offers spacious and well proportioned accommodation which is now ready for someone to alter and change to suit their own requirements which is something a new owner can do over a period of time. The property is being sold with the benefit of no upward chain and for the size and potential of the accommodation included and the privacy of the rear garden to be appreciated we strongly recommend that interested parties do take a full inspection so they can see the whole property for themselves. The property is well placed for easy access to the local amenities and facilities provided by Long Eaton and the surrounding area, all of which have helped to make this a very popular and convenient place for people to live.

The property is constructed of brick to the external elevations under a tiled roof and the accommodation included derives the benefits of gas central heating and double glazing. In brief the house comprises a lounge at the front, an inner hallway leading through into the dining/sitting room and at the rear and off this large reception room there is a rear hallway with a door leading out to the side of the house and the kitchen which is of a good size provides plenty of space to be re-fitted with wall and base cupboards. To the first floor the landing leads to two double bedrooms and a third possible bedroom within the current layout and the bathroom. There is the option to re-design the first floor layout so the second bedroom is divided into a bathroom and bedroom which then makes the current room leading to the bathroom and the bathroom itself a large bedroom, which in turn means the property becomes a three bedroom house. Outside there is a walled garden at the front and a pathway leading down the right hand side through a gate to the rear garden where there is a concrete area to the side of the house with a path leading down to the bottom of the garden and there is a lawn having beds to the sides and being kept private with walls to the side boundaries and fencing to the rear boundary.

The property is within easy reach of the centre of Long Eaton where there are Asda, Tesco and Aldi stores as well as many other retail outlets, there are convenience stores on College Street, excellent schools for all ages, healthcare and sports facilities including the West Park Leisure Centre and adjoining playing fields and the transport links include J25 of the M1, East Midlands Airport and stations at Long Eaton and East Midlands Parkway and the A52 and other main roads provide good access to Nottingham, Derby and other East Midlands towns and cities.
