The three bedrooms are adaptable, one is currently used as a dining room to the rear with patio doors leading onto the garden.

The gardens have been designed to offer ease of maintenance with the front driveway being laid with granite slabs creating more parking space with raised borders and decorative shingles. The garden also benefits from hard standing with a garden shed.

The property is situated in this highly regarded residential area, close to local amenities, including large open spaces such as Bramcote Hills Park, the nearby leisure centre, Post Office on Derby Road, a regular bus service linking Nottingham and Derby, as well as the A52 which is just a short drive away.
