A THREE BEDROOM SEMI DETACHED
HOUSE.

Offers Over £275,000 Freehold

ROBERT ELLIS ARE PLEASED TO BRING TO THE MARKET WITH NO UPWARD CHAIN THIS THREE BEDROOM SEMI DETACHED HOUSE SITUATED CLOSE TO THE HEART OF STANTON BY DALE.

With accommodation over two floors, the ground floor comprises rear hallway, living room, kitchen and pantry. The first floor landing provides access to three bedrooms, bathroom and separate WC.

The property also benefits from double glazing, off-street parking to the front and generous garden space to the rear.

The property sits within the heart of this popular Derbyshire village location, offering easy access to an array of countryside walks. There are two well used public houses within the village and has a very much close-knit community feel.

For those needing to commute and for other day to day amenities, there is easy access to good road networks such as the A52 for Nottingham/Derby, Junction 25 of the M1 motorway and the Nottingham Electric Tram terminus situated at Bardills roundabout. There is access to good schooling within the nearby towns of Stapleford, Sandiacre and Long Eaton. For day to day shopping and amenities, an array of national and independent shops can be found within Ilkeston, Stapleford or Long Eaton, all just a short distance away.

Although requiring a degree of modernisation and a gardener's touch to the rear, due to the location and amount of potential we believe that the property is well worth an internal viewing.
