DETACHED HOUSE.

ROBERT ELLIS ARE DELIGHTED TO WELCOME TO THE MARKET THIS WESTERMAN HOMES CONSTRUCTED AND SINCE EXTENDED BAY FRONTED THREE DOUBLE BEDROOM TWO BATHROOM THREE TOILET SEMI DETACHED HOUSE SITUATED IN THIS POPULAR AND ESTABLISHED RESIDENTIAL CATCHMENT LOCATION.

With generous accommodation over two floors comprising entrance hall, ground floor WC, front to back living room, spacious open plan family dining kitchen and separate utility room to the ground floor. The first floor landing then provides access to three double bedrooms, one of which with en-suite facilities, and another with walk-in wardrobe.

The property also benefits from gas fired central heating from combination boiler fitted approximately three years ago, ample off-street parking to the front with security double gates, work from home timber constructed cabin and generous garden space to the rear.

The property is situated favourably within close proximity of excellent nearby schooling for all ages such as William Lilley, Fairfield and George Spencer. There is also easy access to good transport links such as the A52 for Nottingham/Derby, Junction 25 of the M1 motorway and the Nottingham electric tram terminus situated at Bardills roundabout.

There is also the potential to recreate a fourth room off the landing which originally when built was the third bedroom but now incorporates a walk-in wardrobe from the second bedroom.

We believe the property would make an ideal family home and we highly recommend an internal viewing.
