Offered for the first time in a generation is this three bedroom semi detached house.

Tucked away at the head of a small cul de sac and set back from the road with an attractive cottage-style front garden and a pleasant, beautifully presented rear garden which offers a good degree of privacy and lawn.

The property benefits from a garage and workshop, accessed from a rear service lane.

The property is centrally heated with a modern combination boiler serving radiators and has been well maintained over the years. However, some upgrading and modernisation is required, offering great potential for the next home owner to put their mark upon it to make it a fantastic family home.

The accommodation comprises entrance porch, hallway, through lounge/diner, kitchen and large rear lobby/utility room. To the first floor, the landing provides access to three well proportioned bedrooms and family bathroom.

Situated in this popular residential suburb within walking distance of local schools for all ages, open space and countryside is on the doorstep, as well as a regular bus service. There are good road links leading to the nearby market town of Ilkeston, with Nottingham and Derby being within easy reach.

The property is offered for sale with NO UPWARD CHAIN. Viewing is recommended.
