

Thorpe Close
Stapleford, Nottingham NG9 8FB

£195,000 Freehold

A THREE BEDROOM END TERRACED
HOUSE.

What sets this end terraced property apart from many other is location, location, location!

Situated at the end of this cul de sac with gardens to three sides and enviable views over open fields and surrounding area beyond.

Also incredibly rare for such a property is the fact that it benefits from off-street parking for up to two vehicles to the front, attractively landscaped gardens and, in particular, the side garden with a large seating area is positioned in such a way to exploit the views over the surrounding area which is adjacent to the Erewash River and farmland used for pasture/grazing and there are often horses and livestock leaning over the fence. This builds a picture of being in the countryside but far from it, the property is a short walk to the town centre of Stapleford where there is a good variety of independent and national retailers, as well as other services, facilities and a regular bus route linking Nottingham and Derby.

The property has been particularly well maintained and has the recent benefit of composite insulated render to improve the energy efficiency. This is also added to by the fact that the house has double glazing and gas fired central heating served from a combination boiler.

The property comprises entrance hall, lounge and open plan dining kitchen with a useful utility room. To the first floor, the landing provides access to three bedrooms and shower room/WC.

This property is ideal for those looking to make their first steps onto the property ladder and with three bedrooms is also suitable for young families or those looking to work from home.

Viewing of this property is highly recommended to appreciate its position and overall space.
